TO: Each Health Deputy

FROM: John Viernes, Jr., Director 
Substance Abuse Prevention and Control

SUBJECT: **FUNDING AUGMENTATION FOR BEHAVIORAL HEALTH SERVICES, INC.,
COUNTY CONTRACT NOS. PH-000645 AND H-702261**

This is to inform you that Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 16, 2009 (Board Agenda Synopsis #35) to implement the adjustments and reallocations provision as found within the contract with Behavioral Health Services, Inc. This authority allows the Director of DPH or his authorized designee to augment funds in amounts up to 25 percent of the contract's budget.

DPH is proposing to augment the contract to enable agency to expand services with HIV set-aside funds.

Attachment 1 is a description of the services to be revised by this amendment and Attachment 2 outlines the agency's current and new proposed funding amounts.

If you have any questions or need additional information, please let me know.

ALCOHOL AND DRUG NONRESIDENTIAL SERVICES (AITRPS(NR))

Alcohol and drug nonresidential services, i.e., nonresidential alcohol and drug services, (outpatient alcohol/drug free counseling services) are alcohol and drug treatment services, which include crisis intervention, counseling, and client referral services, provided to clients who are affected by alcohol and/or drug related problems. Based upon the continuing treatment needs of a client, duration of any client's treatment hereunder shall not exceed twelve (12) months without the prior written approval of Director. Contractor shall provide service in accordance with the County of Los Angeles Youth Treatment Standards. Clients not returning for thirty (30) calendar days shall be discharged.

ALCOHOL AND OTHER DRUG PREVENTION SERVICES (ADPS-Prevention)

Alcohol and other drug prevention services seek to prevent/reduce alcohol and other drug related problems within the community by employing a broad range of strategies that include community organizing and empowerment, alternative activities, environmental/social policy, information dissemination, prevention/education/skills training, and problem identification and referral. Each strategy is designed to prevent/reduce alcohol and other drug related problems prior to their occurrence within an individual, family, or community.

COMMUNITY ASSESSMENT AND SERVICE CENTER PROGRAM SERVICES (ADPA)

Community assessment and service center program services are those services which include utilization of a standardized and computerized/automated substance abuse and mental health assessment, intake, and referral system; collaborative and cooperative linkages with public and private social and health service providers; intake, assessment, and referrals to substance abuse and mental health residential or non-residential treatment services or other ancillary services, such as domestic violence and Human Immunodeficiency Virus (HIV) resources; development and maintenance of participant related ancillary resources directory; outreach to and networking with service providers and County residents; and maintaining collaborative and cooperative linkages with other resources to support increased access to a comprehensive range of specific services needed by each program participant.
